CAB Family Readiness Group

Our Families are the most critical part of our Soldiers' support, and their well-being allows us to focus on our missions. The Demon Brigade's goal is to ensure our Families are prepared, strong and resilient as we face our challenges, both in garrison and deployed. As part of that process, we have created a Combat Aviation Brigade Soldier & Family Member Resource Guide, to assist in the integration process.

The CAB FRG website contains all the important information and contact information for families inprocessing Fort Riley, and can be found here: http://cab1id.armylive.dodlive.mil/category/familyreadinessgroup/.
